

32. F1 Pirelli Hungarian GP
21-24. July 2017

Classical. This is what it has become over the past years, the race track Hungaroring. It was built almost three decades ago as a rarity, the first one beyond the Iron Curtain, and now it is still special as the third behind Monte-Carlo and Monza to have continuously featured in the race calendar. The race track in Mogyorod is preparing for a great event this year, the 32th Hungarian Grand Prix, and for this occasion the staff at Hungaroring is planning special additional programmes for the spectators.

European Youth Olympic Festival
23-29. July 2017 - Győr

Similarly to the Olympic Games and other continental championships the EYOF is not hosted in every year. It is organised in uneven years, adjusting to the four year Olympic cycle avoiding the Olympic years, and throughout the years it has become one of the highest ranked youth events within the European Continent. The organisers of the Festival always put emphasis on creating a high quality event for the age group of 15-17.
